Special Thank You to our Cow Eye Volunteers

We are so thankful for all the parents and grandparents who were able to come and help lead students through the cow eye dissection. The students were nervous at first, but LOVED the experience. Thank you for guiding and helping our students!

We Need paper advertisements

Please send in advertisements and circulars with items and prices. We need them for our next math unit.

All Library Books Due

Please help your child return their library books on Monday, May 13.

Last Day of School

Please look for information from your teacher about last day of school celebrations

Poetry Tea

The date of our Poetry Tea is Friday, May 17th from 11:00-12:00. This is a dress up day for students. Please send the food items in by 8:15 a.m. that day so our nurse can check ingredients for allergies.

Money, Money, Money

Our last chapter of math will be about money.

Some great ways to support your child's learning outside of school would be to have them keep a running total while shopping. They can also count out change and dollar bills to help pay at checkout.
