A Note From Your Teachers:

As we move into the holiday season we recognize that family schedules will quickly fill up with fun and festive events! We will be having a lot of seasonal fun here at school, but we will also be doing a lot of learning! Please help ensure success for your child during the day by keeping their routines at home as normal as possible! Regular evening routines, consistent bedtimes, and a healthy breakfast can do wonders to help your child do their best while they are at school! Thank you so much for all you do for your children! ☺
