

## Clear the Board Division

### *Division Facts*

**Materials:** Division fact cards (it is easy to make your own with index cards)  
Cut a blank paper in half lengthwise and create 2 Number Paths, see below  
7 counters for each player (can use cereal, blocks, candy, scrapes of paper etc.)

**Directions:**

- This game can be played with two or more players.
- The object of the game is to be the first to clear your number path.
- Give each player a Number Path and have them put counters on 7 of the numbers.
- Players take turns drawing division fact cards. If the answer to the card a player draws is one of the numbers covered on their Number Path, they remove the counter from that number.
- The first player to clear all their counters is the winner.

Number Path

<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>	<b>5</b>	<b>6</b>	<b>7</b>	<b>8</b>	<b>9</b>	<b>10</b>
