Sometimes your child will bring home a math sheet with only one side done or possibly only certain problems complete. Due to the limited class time, the kindergarten teachers choose the math sheets or parts of the sheets that are most pertinent to the concepts we are teaching. Please complete the math sheets at home but do not return homework papers unless requested by your teacher.

"Pride slays thanksgiving, but a humble mind is the soil out of which thanks naturally grow. A proud man is seldom a grateful man, for he never thinks he gets as much as he deserves."  
-Henry Ward Beecher
