

Pyramid Bonds

Number bonds to 10, 9, 8, 7, or 6

Materials: Regular Deck of Playing Cards (remove Kings and Jacks, the Ace is one and Queen is zero)

Directions:

- The object of the game is to find number bonds to ten.
- This is an individual activity.
- Lay out the cards in a pyramid format as shown.
- When you find two cards that make ten, you can pick them up.
- Fill their empty spots with cards from your deck.
- Continue until all pairs have been found.

Extensions:

- Remove the 10 cards and make number bonds to 9
- Remove the 9 cards and make number bonds to 8
- Remove the 8 cards and make number bonds to 7
