D20 Choice Information

Each year, D20 offers choice enrollment opportunities beginning in January for the upcoming school year. TCA is not a D20 choice option. We are a waitlist school and currently enrolled students automatically move on to the next grade level each year. If your child is enrolled at TCA, and you want to remain at TCA, do NOT submit a D20 Choice application for another school. If you apply and receive the choice, your child will be automatically withdrawn from TCA. Per policy, you will not be able to change your mind about staying at TCA.

If you submit a choice application to D20 and change your mind, you must notify D20 before enrollment notifications are sent out. Questions? Please email TCARegistrar@asd20.org.

FROM THE PRINCIPAL

Dear Junior High Parents,

Each year during the month of March we administer a Student Climate Survey at all our Secondary Campuses. The Junior High is planning on administering our annual student climate survey starting March 13 during your child's Computer class. This survey is created through the Director of Academic Services Office to provide feedback to administrators around the topics of discrimination, harassment, relational tension, and sexual harassment/discrimination. The survey

is anonymous with the data only being looked at in aggregate groups by TCA. Students can make comments but are coached to not include their name in any response.

We would like to get feedback from our students, but also want to respect students and families regarding sharing information that they might find a little uncomfortable. Here is a [link to a preview of the survey](#). Please don't hesitate to call me if you have questions about this survey. Parents can always opt their child out of this survey by sending me a signed letter or email letting me know that you do not want your child to participate.

Sincerely,

Hugh Di Pretore
Junior High Principal
