TCA ATHLETIC GAME SAFETY

All Elementary and Junior High students who attend TCA athletic events must sit with an adult during the event for supervision purposes. Unfortunately, we have noticed types of behavior that could lead to injury or students getting in trouble. We desire to promote a safe atmosphere for all spectators; thus, ***no personal sporting or toy ball of any kind will be allowed into events.*** We thank you for your partnership in this endeavor.

FROM THE OFFICE OF THE REGISTRAR

Dear TCA Families,

*Each year, public school districts across Colorado participate in the Student October Count. This year, the Count will occur on **Monday, October 2, 2023**. Through this Count, TCA reports all students who are actively enrolled and attending classes. This Count helps the State determine funding eligibility for our students and is very important to our school, the district, and to the funding of our programs.*

In addition to the count date on October 2nd, there is a small attendance window five (5) days to either side of the official count date which the schools can utilize to determine a student's attendance. If a student is attending online only, attendance is typically provided through active participation such as logins, homework, testing, emails, surveys, etc.

If your student is sick during the Count Window of September 25th through October 6th, do not send them to school. However, please do contact your school's office administration as you may need to complete an additional form. When making appointments for your student, please keep the Attendance Window dates in mind, and especially Count Day. If your student is not in attendance on Count Day, the school must provide additional documentation to the Colorado Department of Education (CDE) that your student attended with us both before and after their absence. *If you know your student will be gone for all or the majority of the count window, please make sure to contact your school's administration or the Registrar's office at TCARegistrar@asd20.org for an Intent to Return form.*

Thank you for your help on this important matter. We appreciate your support!

Junior High Parent-Student Teacher Conferences

Thursday, October 5th from 12:00 Noon to 7:00 PM

and

Friday, October 6th from 8:00 AM to 11:00 AM

In-Person Conferences at TCA North Secondary Commons

Dear Parents,

We are looking forward to you meeting with your child's teachers at our Parent- Child - Teacher Conferences in about two weeks. **We encourage all students to attend the conferences with their parents.** Personal responsibility and ownership of their academic success is very important during the junior high years and beyond. As you prepare for conferences, the following procedures and scheduling information will help maximize the value.

Thursday and Friday Conferences: Arena Style Conference in-person meetings

To afford parents and their child the opportunity to meet with up to nine teachers, secondary conferences are conducted using the "arena" system rather than scheduling individual conferences as is the practice in our elementary schools. This means all teachers are available to all parents at all times during the conference sessions*. Parents do not sign up for conferences in advance. Junior High teachers will be located in the Student Commons / Secondary Café by the main entrance, so you can meet with them on a drop-in basis. As we cannot predict when the heaviest traffic will be, it is impossible to precisely estimate how much time you will need. It is reasonable to budget 15-20 minutes per teacher for both waiting time and a conference. Usually, you can gauge the line for each teacher and adjust accordingly to maximize your conference time and minimize your waiting time.

**Teachers who are unable to attend some or all of our pre-established conference times may notify their students and families of alternate conference dates and times.*

THE CONFERENCE: What to Expect:

Teachers will share a little about your child's academic success and involvement in their class. They will often ask some questions of your child (if they are attending with you) or you to get to know them better. This is a great time for you to share something we would not otherwise know about (IE: they love the subject, they are nervous about being called on, they struggle with tests, ...). Typically ending the conference with any questions you or your child might have about the class, their assignments, or their assessments. Conferences typically take about five minutes, but teachers will need to end the conference after ten minutes to make sure that there is enough time for all our families to meet with them.

I have included a link to the Infinite Campus Parent Portal below for you to prepare for the conferences. Infinite Campus is a great resource throughout the year to keep up on your child's homework completion, grades, and attendance. Throughout the school year you can call or email your child's teacher when you have a question or concern.

Please call the Junior High Office at 719-484-0091 if you have any questions about Parent-Teacher Conferences.

Sincerely,
Hugh Di Pretore

Junior High is looking out for acts of kindness! There is a board at the front doors of the junior high with kindness cards. If you see an act of kindness that stands out to you, give that person a shout out! Come to the board to get a kindness card, write down what you saw, and turn it in at Ms. Osborne's room. We'll be posting some next week. Maybe your act of kindness meant more than you realize!
