DUE MONDAY

Animal Book Report Project

At home, students should be finishing their puppet of the animal they selected to write about. **Puppets will be due on January 29th.**

Since this is a third grade project, the students should be completing a majority of the work. If a part of their puppet is not able to be completed independently or with minimal assistance from an adult, then it should not be a part of their puppet. Thank you for allowing them to grow in their independence.

DUE MONDAY
