HERE'S WHAT'S HAPPENING:

CMAS coming soon!

Third graders will have three days of standardized testing beginning April 8. **Please make every effort to have your child at school on time and keep testing dates free of appointments and vacations. Thank you for your consideration regarding these dates and times.**

If you have any concerns, please contact Ms. Wilkewitz at wilkewi@asd20.org

IMPORTANT NOTE

Parents, please have a conversation with your child about NOT flushing anything other than TP down our toilets. Our plumbing cannot handle flushable wipes, paper towels, feminine products, etc.

SNACK REMINDER:

Students should bring quick, healthy snacks to school each day. This snack should be something that can fuel their minds as they work hard in class. Candy is not considered a snack and should not be brought to school.

CHARACTER CORNER

Sportsmanship can be a confusing concept to understand to many young students, as they become interested in competitive sports, including friendly games on the playground. [Check out this article](#) that has some ideas on how you can help your child learn the actions associated with good sportsmanship.
