September Poem

Bed in Summer

In winter, I get up at night
And dress by yellow candlelight.
In summer, quite the other way,
I have to go to bed by day.

I have to go to bed and see
The birds still hopping on the tree;
Or hear the grown-up people's feet
Still going past me in the street.

And does it not seem hard to you,
When all the sky is clear and blue,
And I should like so much to play,
To have to go to bed by day?

~Robert Louis Stevenson~
