Your 4th Grade Update

As we approach our last week before Thanksgiving break, please encourage discussions about what it means to be grateful and the effects of having an attitude of gratitude.

BACKGROUND CHECK: D20 has changed their policy and background checks must be completed for any parents to attend field trips (either as a chaperone or a guest).

CHAPTER 6: FRACTIONS: Once again the importance of automaticity in math facts is highlighted as students are needing to find common factors and multiples in order to compare fractions or make equivalent fractions. Please continue the important task of working toward mastery in math facts.

~Thank you, The 4th Grade Team
