

<i>The Classical Academy</i>	<i>Policies and Procedures</i>
Policy Name:	Part-Time/Full-Time Programs and Requirements
Policy Number:	JG-TCA-S1
Original Date:	5/22/2003
Last Reviewed:	5/03/2024
Category:	Instruction
Author:	Registrar
Approval:	Director of Academic Services

INTRODUCTION

The Classical Academy (TCA) offers part-time and full-time enrollment opportunities. This policy is a supplement to JG-TCA: Enrollment and Placement and outlines TCA's programs and enrollment requirements.

- **Traditional Program:** The Classical Academy (TCA) offers part-time traditional Kindergarten which meets four half days each week, Monday-Thursday. All other grade levels (1-12) in the traditional program are full-time. Elementary (grades 1-6) meet four full days Monday-Thursday and a half day on Fridays. Junior High (grades 7-8) and High School (grades 9-12) meet five full days per week.
- **Cottage School Program:** Cottage School Program (CSP) is a homeschool partnership program offering part-time enrollment only. Kindergarten meets two half days and Grades 1-6 meet one full day per week.
- **College Pathways:** College Pathways (CP) is a hybrid-online school for Grades 7-12 and offers both part-time and full-time enrollment opportunities. Classes meet two hours per week per class for on-campus instruction with the remainder of the course work being completed online at home.

A student may not attend any TCA program on a part-time or full-time basis **and** be enrolled part-time or full-time in another public program or school (*excluding activities and sports enrollments that are not state funded*). Some secondary enrollments are considered in consultation with Colorado state law and federal requirements including enrollment in a private or umbrella school. All part-time homeschool students in CSP and CP are required to complete a Notice of Intent to Homeschool as applicable.

COLLEGE PATHWAYS REQUIREMENTS

Full-Time Enrollment

Students must maintain a full-time schedule at CP to be classified as diploma seeking. These students are working toward CP Graduation Requirements to obtain a CP Diploma within 4 years (*see policy IKF-TCA-CP: College Pathways Graduation Requirements*). Full-time students must take 5 CP classes or 12-15 credits at PPSC, or students may take a combination of CP and PPSC classes in each semester. Credits above 15 require Director of College Planning approval. Students who wish to be diploma seeking must declare their intentions by the end of the 10th grade year; students entering at 11th and 12th grade must declare status at time of enrollment.

Part-Time Enrollment

Students may choose a part-time schedule at CP and will be classified as homeschool students. Part-time students must take 2 CP classes or 11 or fewer credits at PPSC if the student is college ready. A part-time student may not take CP classes and a college class simultaneously in the same semester as this is defined as full-time by the state. These students must remain part-time until the next academic year and are considered non-diploma seeking.

Full-time versus Part-time at College Pathways		
Full-Time (seeking a CP diploma)		Part-Time (graduate through homeschool)
5 CP classes	Precollege ready	2 CP classes
4-5 CP Classes + CP On Course	Seeking college readiness	1-2 CP classes + CP On Course
2 CP classes + 3 or more PPSC credit hours OR 12+ PPSC credit hours	College ready	CP On Course + 3-11 PPSC credit hours OR 3-11 PPSC credit hours

State Testing

All College Pathways high school students are eligible to participate in state assessments, which includes the PSAT and SAT. Only full-time College Pathways junior high students are eligible to participate in state assessments, which includes CMAS.
