Dear TCA Family and Friends,

The TCA Board of Directors would like to share some highlights from our October 17, 2016 Board meeting:

D20 Bond

The board unanimously passed a resolution supporting District 20's $230 million bond issue known as 3A. If the bond passes, TCA will receive $21.05 million (with no increase in taxes) to use for capital construction and facilities improvement projects at all TCA campuses. Click here to read this resolution.

Capital Construction Update

Dave Tubb, TCA Director of Operations, announced the Multi-Use Field is complete! A ribbon cutting ceremony was held earlier this week, with many of the secondary students attending. Also, Tom LaValley, Rob Moulton and I were able to attend on behalf of the Board. The field looks amazing (click here for aerial shot) and will host practices and competitions for softball, baseball, shot put, discus, football, soccer, and will provide a space for our band to practice and our PE classes to utilize.

Celebrate TCA

We celebrated the success of the Titan Club. Titan Club funds needed activities/athletics equipment purchases not covered in the normal school budget. This past year they raised over $45k through membership and corporate sponsorships. The Titan Club has built up our community this year by hosting a bonfire with hot chocolate and s'mores for our students, a tailgate for all members, and giveaways for our cheerleaders to throw during games. Titan Club Officers Steve Palmer, Scott Palmer, Katie Troupe, and Connie Ryba have worked tirelessly this year, and we truly celebrate them for giving their time and talent to TCA.

As always, if you have any questions please feel free to contact us at talk2tcaboard@gmail.com

Hope everyone has a great week!

Chris Carter
Board Secretary

TCA Mission Statement

The Classical Academy exists to assist parents in their mission to develop exemplary citizens, equipped with analytical thinking skills, virtuous character, and a passion for learning, all built upon a solid foundation of knowledge.
