

A message from THE CLASSICAL ACADEMY

Dear TCA Family and Friends,

The TCA Board of Directors would like to share some highlights from our November 13, 2017 Board Meeting:

**Celebrate TCA:**

We celebrated East Elementary School's Annual Service Run. The students raised just over \$7,200 for the American Diabetes Association. The money will go towards scholarships to Camp Kickstart, which enables kids who live with diabetes to attend camp in a safe environment. East Elementary picked Camp Kickstart as its beneficiary since some of their students live with diabetes and have attended this camp in the past. This is just another example of our students living out TCA's Creed, "Striving to be our best, do our best, and give our best to the world..."

**Capital Construction:**

Dave Tubb, Director of Operations, updated us on the progress of the North Elementary Gym and Auditorium. All precast walls have been installed on both buildings. Another crane has been delivered this week to start installation of the steel. Roof decking will begin in the next month. We thank everyone for their patience, especially during carpool.

**Registrar Report**

Amy Martinez, Registrar, presented her annual report to the Board. Amy shared with us TCA's attrition has been about 7% school wide this past year, which is lower than historical averages. Our waitlist continues to be long, but parents of pre-kindergartners shouldn't be discouraged as we'll likely have enough seats for everyone who wishes to start their education at TCA.

**DAS Report**

Wes Jolly, Director of Academic Services, gave his annual report on Accreditation, Achievement, and Assessments. Overall, TCA continued to excel in so many areas. Mr. Jolly said, "TCA will continue to examine all performance while keeping to our Core Values." The board is encouraged that TCA continues to excel in these areas.

As always, if you have any questions, please contact us at [talk2tcaboard@gmail.com](mailto:talk2tcaboard@gmail.com).

Paul Baker

Board Secretary

**TCA Mission Statement**

*The Classical Academy exists to assist parents in their mission to develop exemplary citizens, equipped with analytical thinking skills, virtuous character, and a passion for learning, all built upon a solid foundation of knowledge.*
