

# March Board Highlights

Dear TCA Family and Friends,

The TCA Board of Directors would like to share some highlights from our March 9, 2020 Board Meeting:

## Celebrate TCA

We celebrated TCA High School's philanthropic efforts for this school year, as class leaders shared about some of the projects they've been involved in, including Wounded Warrior, Wreaths Across America, Santa Unlimited, and Hope and Home to name a few. It's always great to hear about our students "giving their best to the world."

## Board Appointment

Dr. Mark Mayfield was appointed to TCA's Board for the term of three years from August 2020-August 2023. Dr. Mayfield, of Mayfield Counseling Centers, is a familiar face at TCA, having led many of our Parent Academies while also being a guest advisor at our January Town Hall. We look forward to Dr. Mayfield joining the Board and lending his expertise on mental health and wellness along with many other important issues.

## Curriculum Update

The Board unanimously voted to approve the new Elementary Dimensions Singapore Math curriculum, and Blake Galvin, Secondary Dean of Educational Philosophy, presented the Junior High Science, and Secondary math curriculum recommendations for next year. Over the past eight months, our secondary team of administrators, teachers and parents looked at numerous math and science textbooks and curricula. The new recommended textbooks will be available for TCA community review and comment from now until April 1, 2020 in both the High School and College Pathways offices.

## Digital Health

Dr. Sojourner provided a review of community feedback that has been gathered thus far this year regarding further restricting student access and use of cell phones and digital devices during the school day. Administration has recommended that the Board consider an associated policy, with a first read at next month's board meeting.

As always, please don't hesitate to reach out to the Board about any important topics you would like to discuss at [talk2tcaboard@gmail.com](mailto:talk2tcaboard@gmail.com).

Thank you,

Rich Bennett  
Board Secretary

## TCA Board of Directors

*The Classical Academy exists to assist parents in their mission to develop exemplary citizens, equipped with analytical thinking skills, virtuous character, and a passion for learning, all built upon a solid foundation of knowledge.*
