

April Board Highlights

Dear TCA Families and Friends,

TCA's Board of Directors would like to share some highlights from the April 12, 2021 Board Meeting:

Board Election Results

Mrs. Kinetta Johnson and Mrs. Sonya Wittleder have been elected to the TCA Board to serve 3-year terms (August 2021 - August 2024). Please join us in congratulating and welcoming them to the Board. Three highly qualified candidates ran for the Board this year, and we thank all of them for their willingness to serve in this important capacity.

Education Alliance of Colorado (EAC)

The Board gave an update about the EAC. It was an exciting process for them to meet with the El Paso County Health Department, County Commissioners, and the County Attorney a few weeks ago and learn more about their processes. The EAC is a great group of people coming together in the charter school world to advocate for their children's education. Celebrate TCA

We celebrated the North Construction project, which is rapidly coming to a close. This project finished on-time and under budget. The plan is to start moving in the the new addition in May. The new space, which is spectacular, included band and choir rooms, men's and women's locker rooms, weight room, wrestling/multi-purpose room and an athletic training room. We are so thankful to the D20 voters for passing the 3A bond in 2016, along with General Contractor, Elder Construction, and our operations team, led by Lavon Coles and Kevin Pacht. The new addition will be in full use in August!

Staff Climate Survey

The results of the 2020-21 Staff Climate Survey were shared by Marta Schulz, Director of Human Resources. We had the highest completion rate ever from our staff in response to this survey. Staff members wanted leadership to know how hard this year has been, but also how much they appreciate working at TCA. Now more than ever we remain committed to celebrating our many strengths, focusing on our areas needing improvement, and moving forward knowing that brighter post-pandemic days are ahead. Principals and Directors will be sharing their individual results with their staff members and developing plans for improvement where necessary.

As always, if you have any questions, please contact us at talk2tcaboard@gmail.com

Have a great weekend!
